September 28, 2011

The Northeast Organic Farming Association, Massachusetts chapter (NOFA/Mass) is seeking donations of organic breakfast items or gift certificates, to buy items from your place of business, for the free breakfast we serve at our annual Winter Conference on **Saturday January 14, 2012**. NOFA/Mass is a community of farmers, gardeners, landscapers and consumers working to educate members and the general public about the benefits of local organic systems. Approximately 1000 people are expected to attend the conference. In order to feed individuals who attend the conference, we solicit donations for breakfast items from organic producers in the state. In the program and on the breakfast table, we will acknowledge you as a gracious donor, and provide any advertising materials that you would like.

Would you be willing to make a donation this year? We would be happy to pick up your tax-deductible donation along with any literature you would like us to display at the conference. Please give us a call at 413-584-6786.
Thanks for your consideration!

Sincerely,

Cathleen O'Keefe
Winter Conference Coordinator
