Northeast Organic Farming Association/Massachusetts Chapter
Growing organically since 1982

Now, **48 years later**, we continue to promote cutting edge earth-friendly growing practices and the availability of the most nutritious, toxin-free food for all.

A snapshot of our work in 2020

272 farmers, gardeners, landscapers
bought from our Bulk Order Program

2,264 attendees to all virtual events
1,119 conference attendees
1,596 attendees to Resiliency Series
These numbers represent a challenging but successful pivot into virtual programming

21 Farmers attended the "Farmer Drive In" at the Statehouse to support the creation of a Massachusetts Healthy Soils Program

\$22,979
raised during Human Health and Climate Action Challenge

99 Clients benefited from Soil Tech Support
