

Pasture Based Systems for Sustainable Livestock Production

2025 FIELD WORKSHOPS

FINICKY FARM

664 Millers Falls Rd. Northfield, MA 01360

Wednesday, May 21

9:30 am - 12:30 pm

We invite you to join us in touring this sheep and goat operation. Get a look at the grazing management, stockpiling and bale grazing on the home farm. There is also an optional tour of their sheep grazing a solar array as well.

Northwest Connecticut
Land Conservancy

MAYAPPLE HILL FARM

228 Merryall Rd. New Milford, CT 06776

Tuesday, June 17

9:30 - 11:30 am

In conjunction with Northwest Connecticut Land Conservancy, we welcome you to tour this family farm. Get a look at their grazing management for sheep, see how they're controlling invasives and managing wet areas.

WATSON FARM

455 North Rd. Jamestown, RI 02835

Tuesday, July 8

9:30 - 11:30 am

Join us as we tour this beef cattle and sheep farm to get a first hand look at the grazing management practices in place. Bale grazing and the use of annuals will also be part of the discussion.
